

## Press Release

Register Now – 4th International Recycling Forum on  
10–11 December 2024 in Wiesbaden

The banner features a blue background on the left with silhouettes of people in a meeting. On the right, there is a white background with a blue speech bubble containing the text 'Sign up now!'. The central text includes the dates '10–11 Dec 2024', the location 'Wiesbaden | Germany', and the note 'all presentations in English'. The event title 'International Recycling Forum' is prominently displayed, along with the tagline 'Networking towards a Circular Economy'. A stylized logo of a globe with a green leaf is positioned to the right of the central text.

Wiesbaden (Germany), October 2024 – The 4th International Recycling Forum will take place on 10 and 11 December 2024 at the Dorint Hotel in Wiesbaden. Organised by RIGK GmbH in collaboration with EPRO, the event brings together international experts and companies to actively shape the future of plastics recycling. Participants can look forward to a diverse programme focusing on developments and challenges in the Circular Economy within the plastics sector.

### Agenda Highlights:

- **Market Trends and Circular Economy:** An overview of developments and perspectives in the plastics Circular Economy, along with market analyses
- **Extended Producer Responsibility (EPR):** Best practices from the consumer and industrial sectors for plastic packaging
- **PPWR:** The new regulatory requirements and challenges for the plastic packaging value chain
- **Digitalisation and AI:** The role of technologies such as AI in optimising the Circular Economy and their impact on the industry
- **Chemical Recycling:** Perspectives on chemical recycling and its interactions with mechanical recycling
- **Technical Innovations and Recycling in the Agricultural Sector:** Global approaches and innovations in plastics recycling for agriculture
- **Panel Discussions:** Q&A sessions with experts and industry representatives on key topics
- **Networking Opportunities:** Numerous chances for exchange, especially during the evening event at Kurhaus Wiesbaden

Companies such as BASF SE, EREMA Group GmbH, Herbold Meckesheim GmbH, Hessen Trade & Invest GmbH, plastship GmbH, Veridis Technologies B.V., and R.A.M. GmbH will showcase their latest developments and technologies as part of the sponsors and exhibitors. Media partners, including KI Group and Circular Technology, will support the forum, providing comprehensive coverage of the key topics and presentations from numerous renowned experts participating as speakers and panellists.

Mike Jefferson (Managing Director, EPRO) commented: "RIGK and EPRO are excited about the International Recycling Forum, which serves as the perfect platform to network with international experts and jointly develop solutions for a more sustainable Circular Economy with plastics."
